## TAG INFORMATION

- Size:
  - The tag must be a 2.5x3" or 3x5" index card or card stock, cut to the same size.
    - *It is encouraged not to use regular paper, as that can tear easily and fall off your item.*
  - Consignors are encouraged to individualize their index cards, you may use colored card stock, decorate your cards, etc. (anything that makes your cards uniquely stand out).
  - All tags must be identical in size and name/consignor number.
  - No sticky tags will be accepted.
- Hanging Garments & Tag Placement:
  - **NOW ONLY ACCEPTING WIRE HANGERS.** We have wire hangers for purchase if needed.
  - All garments should be placed on hangers with the hanger looking like a “?” when the garment is facing you.
  - Hang or pin (with safety pins) garment to the TOP of wire hanger with the open end facing left.
  - Please attach your tag to the clothing item with a safety pin to the upper right side of the garment as you face it (not the sleeve).
  - Please bundle clothing according to gender and size.
- Toy & Equipment Tags:
  - Tags on toys or equipment should be adhered with clear packing tape (please make sure they are secure but still removable).
  - Place all small parts in a bag and tape to the larger item (i.e. Little People Farm Animals to go with Little People Farm. Place the animals in a bag and tape the bag securely to the farm).
  - Please do not place tags inside plastic bags.
